HOT SPRINGS NATIONAL PARK KENNEL CLUB 12/2/2009

Presidents Report:

Steve is proud of all the work done by club members to help defeat the Hot Springs Council proposed specific breed ban ordinance. As a club we should present a proactive approach by helping Hot Springs city directors to understand that a current dangerous dog ordinance is in effect, which should be sufficient. Due to budgetary restraints and lack of personnel even this current law can't be enforced. Steve will do a letter to the editor to try to help explain that any new ordinance isn't necessary, and as an effort to educate on the current one.
